

CRAFT BEER TOUR with DESTINATION CHINA

HONG KONG ON THE HOP

STOP 1: LITTLE CREATURES

Born out of a love affair with hoppy beers and founded among the creative, free-thinking culture of Fremantle, Western Australia, Little Creatures Brewing is a flavour-loving brewery. Just like the Hong Kong craft beer community, they're dedicated to crafting distinctive, well balanced beers that are inspired by the creativity and individuality of the brewers - and so they brought it to Hong Kong's Kennedy Town, where locals and expats are enjoying this new addition to their locale.

Little Creatures Pale Ale is a hop driven, full bodied and refreshing Pale Ale bursting with flavour and aroma.

STOP 2: TIPPING POINT

Our next stop is a visit to the Tipping Point which brews its own beers onsite in the bar on the popular Wyndham Street, Central. Tipping Point boasts an eclectic selection of beers on tap and an ever-changing list of bottled craft beers from around the world. They offer two of their own beers on tap: the Tipping Hazel Nut Brown Ale and the Tipping Point Pale Ale.

The bar is located on street level and soon gets busy in the evenings with beer fans and also upstairs you'll find lower tables for drinking and dining with their own beer taps to pour straight from the barrel.

STOP 3: THE GLOBE

The tour ends with a beer pairing with food at The Globe - a bar that holds the largest selection of beers in Hong Kong. They offer a tailored tutored beer tasting with experts. Topy Cooper the Managing Director of The Globe and a member of the Craft Beer Association of Hong Kong - is a regular panel judge for beer tastings in Hong Kong and is dedicated to 'spread the gospel' of craft beer.

The Globe is a very popular venue in Hong Kong situated in the SoHo area amidst a circuit of a multitude of dining establishments and easy walking distance to the heady nightlife district of Lan Kwai Fong.

Chef Patrick Barrett is also a huge attraction to locals and visitors with a great menu that goes beyond gastropub. Depending on your chosen start time The Globe is the perfect dining stop on the tour for lunch or dinner and a menu can be devised to pair with the beers selected or you can delve in to one of their famous pies!
